CASE NO. 11-1429-PWD-PC

DODDRIDGE COUNTY COMMISSION

West Union, Doddridge County.

Petition for consent and approval to create the  
Doddridge County Public Service District.

RECOMMENDED DECISION

On September 30, 2011, the Doddridge County Commission (County Commission) petitioned the Public Service Commission to approve the creation of a new public service district for the provision of water service serving the entire Doddridge County area, excluding the municipal area of West Union and areas currently served water service by West Union. The name of the proposed Public Service District is the Doddridge County Public Service District.

On November 4, 2011, Staff recommended that the County Commission be required to publish notice of its filing. Staff indicated that the County Commission approved the creation of the Doddridge County Public Service District at its meeting of September 21, 2011, after proper publication. The County Commission submitted an order evidencing its creation of the Doddridge County Public Service District. Finally, Staff recommended that the Public Service Commission approve the creation of a new public service district if there were no substantial protests to the creation of the district.

On November 15, 2011, the Commission referred the matter requiring a decision on or before January 17, 2012.

By Procedural Order issued November 28, 2011, the Commission was ordered to publish notice of its petition.

On December 19, 2011, the Commission filed an affidavit of publication indicating that it properly published notice of the filing. There have been no protests filed pursuant to the notice.

## FINDINGS OF FACT

(See petition).

2. Staff recommended approval of the County Commission petition subject to proper publication and no substantial protest. (Staff filing of November 4, 2011).

3. The Utility properly published notice of its filing in Doddridge County in accordance with the requirements of the Procedural Order issued November 28, 2011. (Affidavit of publication filed December 19, 2011).

4. There have been no protests filed to the petition to create a new public service district. (See file generally).
